This council has a high impact on student's campus experience. It has been a pleasure to serve. Islander Green Team also is doing a excellent job in participation.

This is a critical group to the campus. However, it is strongly recommended that an office of Environmental Issues be established on this campus, headed by a Director, and that environmental issues on this campus not be relegated solely to Environmental Health & Safety, as the issues are much broader.

I love what this committee does for this University.
