Comments:

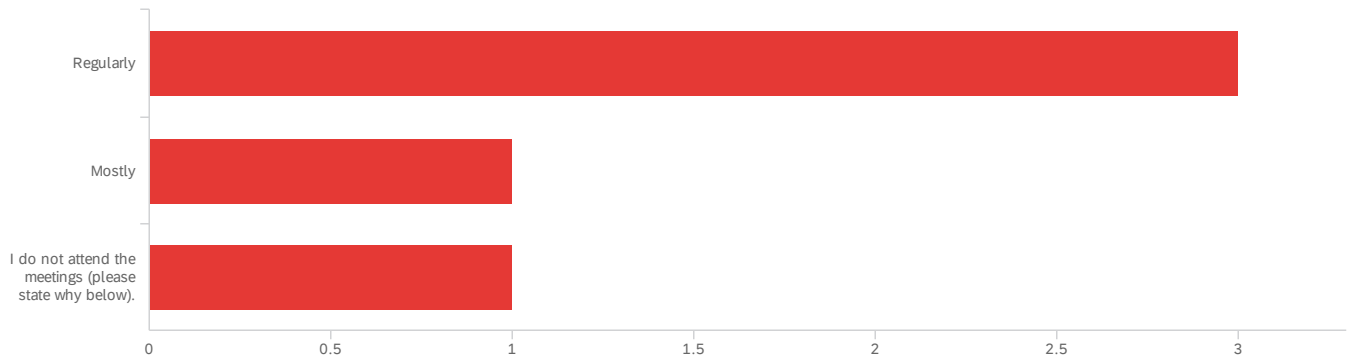

I believe that this could be an important committee, but it meets so rarely that information is not disseminated in a timely fashion, nor are we able to produce any real results. Perhaps I was not invited to the meetings, but it has been a long time since the committee met together. While I do not want to attend meetings for no reason, at the same time, I would like for the committee members to work together to fulfill their charge.

the committee meetings are mostly to hear reports from staff. That information is old, not completely correct, and could be shared in print. The committee could review policy and make recommendations.

IDK if minutes are distributed. These meetings are usually stressful (a lot of information) and then I don't hear anything for months. However, many members (faculty reps) don't attend. Maybe an exec council or email updates might ?? help with communication.

We have not had a meeting for two years because of changes in administration of the COEHD.
